### BROOMWOOD IN ETHIOPIA

Please note that for every haggis we sell, £1 is donated to Broomwood in Ethiopia, a charity set up by our proprietors Sir Malcolm and Lady Colquhoun who also run Broomwood Hall School in London.

BiE has built and runs a school in Gondar, Ethiopia, named St George's after the patron saint of that country, that provides a completely free education, to the highest western standards, for some of the poorest children in Ethiopia – the majority of the 240 children currently in the school are either orphans or double orphans, who would otherwise receive no education at all.

If you'd like to know more about this inspirational project, please visit [www.broomwoodinethiopia.com](http://www.broomwoodinethiopia.com).

A gratuity (optional) of 10% of the total is added to all bills. Please note: all gratuities are paid in full to our staff.
